Description

TYM T3025H Compact Tractor
Power, Comfort & Versatility for Work Around the Farm
The TYM T3025H is a versatile compact tractor designed to handle a wide range of jobs around the farm, property, acreage, and homestead. With a dependable diesel engine, hydrostatic transmission, and easy-to-use controls, the T3025H delivers the performance and operator comfort

you need to get more work done. Best in class loader lift capacity coming in at a whopping 2200 lb!!

Whether you’re mowing fields, moving dirt, maintaining trails, handling material, or working around your property, the T3025H is built to be a dependable partner for everyday jobs.

Key Features

Compact 25 HP-class tractor designed for a variety of property and agricultural applications
Diesel engine provides dependable power and efficiency
Hydrostatic transmission for smooth, simple operation and precise speed control
4WD capability for improved traction and performance in challenging conditions
3-point hitch for operating a wide range of rear-mounted implements
Front loader compatible for material handling, dirt work, landscaping, and more
Power steering for easier maneuverability
Comfortable operator platform designed for long days of work
Excellent size for farms, acreage, hunting properties, landscaping, and general property maintenance

Built to Work

The TYM T3025H combines the maneuverability of a compact tractor with the capability needed for serious property work. Its compact footprint makes it easy to operate in tighter areas while still providing the versatility to tackle mowing, grading, hauling, tilling, landscaping, and other everyday tasks.
