Price: $3,250.00

Description

Sure-Trac 6x12 Steel High Side Utility Trailer (2990# GVW)

Overview

The Sure-Trac Steel High Side Utility Trailer is a robust and versatile option designed to meet a variety of hauling needs. Whether you’re a professional landscaper transporting mulch and equipment, a contractor hauling construction debris, or a weekend warrior moving ATVs and motorcycles, this trailer offers exceptional strength and durability.
The solid steel sides provide secure containment and protection, ensuring your cargo remains safe during transit while preventing spillage. Built to withstand rigorous use, the steel construction features an Industrial Grade Polymer Finish for long-lasting performance. Thoughtful features like a spring-assist ramp gate for easy loading and a setback jack that clears your truck's tailgate make this the ultimate user-friendly workhorse.

Key Features & Benefits

13? Solid Steel Sides: Contain your load while adding superior structural integrity to the trailer.
4? Tie-Down Rail: Provides additional support and multiple locations for securing your load.
4' Fold-Flat HD Ramp Gate: Features Spring-Assist and a grab handle. Easily load materials, or lay the gate down flat inside the bed to transport longer items and reduce wind drag.
Self-Retained Gate Pins: Designed to stay in place so you never have to worry about losing loose accessories.

(4) ½” D-Rings: Heavy-duty tie-down points to safely secure your equipment.
2K Set-Back Jack: Positioned further back on the 3" steel channel tongue, allowing you to lower your truck's tailgate while hitched.
Industrial Grade Polymer Finish: Offers excellent wear and weather resistance.
Full LED Lighting: DOT Compliant lights for enhanced visibility and safety.
Spare Tire Carrier: Convenient exterior storage included.
