Price: $3,150.00

Description

Work Smarter, Not Harder: 2026 Sure-Trac 6x12 Tube Top 3-Board Utility

If you are tired of loose cargo shifting or mulch spilling over the sides of a standard utility trailer, the 2026 Sure-Trac Tube Top 3-Board Landscape & Utility is your solution. This isn't your average "big box store" trailer. It is a heavy-duty, professional-grade tool designed for those who need to haul loose materials, equipment, and debris with total confidence.
Featuring 22" tall sides constructed from 5/4" treated lumber, this trailer offers the containment of a high-side model with the structural rigidity that only a "Tube Top" frame can provide.

**Built to Outlast the Competition
**Most utility trailers use thin angle iron for the top rails that can bend or twist under pressure. Sure-Trac sets the industry standard by using 2x2 square tube for the top rails and uprights, ensuring the frame stays straight and true even after years of heavy use.
• The Best Gate in the Business: The 2x2, mesh-covered ramp gate features a full-width spring assist and a built-in handle, making it easy to operate with one hand. It also folds flat to reduce wind drag or accommodate longer loads.
• Maximum Protection: Every wire is protected within the frame to prevent snagging and shorts, and the entire trailer is finished in an industrial-grade high-gloss black polymer for maximum corrosion resistance.
• Ready for Any Load: With (4) recessed 1/2" D-rings and front/rear board retainers, your cargo stays exactly where you put it.

• Convenience Standard: Includes a spare tire carrier and a zinc-plated setback jack that won't interfere with your tailgate when hitched.

**Specifications: **
Model ST-UTW7212-030
Feature Specification
Dimensions 6' x 12'

Why Choose the 3-Board High Side?
The Sure-Trac 3-Board is the ultimate "crossover" trailer. It’s perfect for landscapers hauling plants and soil, contractors moving construction debris, or homeowners tackling weekend projects like firewood and mulch. The combination of Tube Top strength and high-side containment means you can haul more with less worry.
Backed by a Limited 3-Year Warranty, this trailer is built to be a reliable partner for your business or home for the long haul.

Available Now at Roxbury Trailers
Stop settling for "good enough." Come see why Sure-Trac is the most trusted name in utility trailers.
