Description

The Nexhaul Magnum Series Trailer is built to handle any hauling task with ease and reliability. Featuring two 3,500LB 4" drop brake axles with EZ Lube hubs, this trailer provides smooth towing and durability. The primed and painted frame, combined with a 16" aluminum tread plate stone guard and .024 gauge screwed exterior aluminum, ensures long-lasting strength. Inside, it boasts a 72" interior height with 3/8" wood walls and 3/4" wood flooring, creating a robust and secure space for your cargo. The one-piece aluminum roof, high-tech roof sealant, and plastic side flow vents offer superior weather protection and ventilation. For easy access, the rear ramp door, 32" x 66" side door with a bar lock, and V-nose with tread plate design make loading and unloading hassle-free. With additional features like DOT-approved exterior lighting, a 7-way electrical plug, radial tires, aluminum tread plate fenders, a 2,000LB manual tongue jack, a 2 5/16" coupler with safety chains, and steel wheels, this trailer is a perfect choice for those looking for durability, convenience, and reliability on the road. Available in black and white only.
