Description

Engineered for professional-grade performance and high-capacity hauling, the PJ Trailers TY I-Beam Tilt Trailer is built to support your heaviest machines and attachment-heavy setups with

confidence. With its ultra-strong I-Beam frame, smooth 12-degree tilt geometry, and integrated features like fork pockets and a full tongue toolbox, it provides the structural strength and organization needed for repeated loading cycles. For those who are passionate about their work and require a trailer that reduces compromise in daily operations, the TY is the ultimate tool for conquering the jobsite.
