Description

? New 2027 PJ Trailers 25' x 102" Monster Ramps Gooseneck Flatbed Equipment Trailer for Sale in Kansas | 15,680 LB GVWR | 10,510 LB Payload
? PJ Trailers 25' x 102" Flatdeck • Gooseneck • 15.68K GVWR • 10,510-LB Payload • 5' Dovetail • Monster Ramps

Looking for a heavy-duty gooseneck flatbed trailer for sale in Kansas? This new 2027 PJ Trailers 25' x 102" Monster Ramps Flatbed Trailer is built for contractors, farmers, ranchers, equipment operators, construction companies, and anyone who needs a wide, heavy-duty deck for hauling equipment and oversized loads.

With a 15,680-lb GVWR, 5,170-lb empty weight, and 10,510-lb payload capacity, this PJ flatdeck gives you substantial hauling capacity while the full 102-inch-wide deck provides the space needed for larger equipment.

The 5' dovetail and flip-over Monster Ramps make loading equipment such as skid steers, tractors, compact excavators, vehicles, and other machinery much easier.

Available now at Trailer Solutions LLC in Garden City, Kansas.

Price: $11,550

The current Trailer Solutions listing confirms the exact weight, GVWR, payload, dimensions, VIN, stock number, and gooseneck configuration for this unit.

? PJ MONSTER RAMPS

One of the standout features of this PJ flatbed is the flip-over Monster Ramp system.

The wide Monster Ramps fold onto the rear of the trailer when not being used and provide a convenient loading surface for wheeled equipment.

PJ describes the Monster Ramps as ultra-wide ramps that fold flat onto the deck and use hold-down latches to reduce movement and rattling during transport.

Ideal for loading:
? Tractors
?? Skid steers
?? Mini excavators
? Construction equipment
? Cars and trucks
? Farm equipment
? Commercial equipment
?? Landscaping equipment
? 25' x 102" WIDE FLATDECK

The 25-foot deck and full 102-inch width give you a substantial loading platform for equipment and oversized cargo.

The extra width is particularly useful when hauling equipment that is too wide for a standard 83" trailer.

102" deck advantages:
More room for wide equipment
Easier equipment positioning
Greater usable deck space
Excellent for tractors and skid steers
Ideal for construction equipment
Useful for commercial and agricultural hauling
? 15,680-LB GVWR & 10,510-LB PAYLOAD

This isn't a lightweight car hauler.

The PJ 25' x 102" provides:

15,680-lb GVWR
5,170-lb empty weight
10,510-lb payload capacity

That gives you more than 10,500 pounds of rated payload capacity for equipment, vehicles, materials, and other cargo.

?? BUILT FOR EQUIPMENT HAULING

The PJ flatdeck configuration is designed around the needs of customers who regularly haul heavy equipment.

PJ's published Quest flatdeck specifications include a 12" x 14-lb I-beam main frame, 3" channel crossmembers on 16" centers, 2" treated-pine decking, tandem 7K axles, stake pockets, rubrail, pipe spools, and a retractable Monster Step.

? HEAVY-DUTY FEATURES

Tandem 7,000-lb axles
Electric brakes
102" wide deck
2" treated-pine deck
5' dovetail
Flip-over Monster Ramps
Gooseneck configuration
2-5/16" gooseneck coupler
Drop-leg jacks
Stake pockets
Rubrail
Pipe spools
Electric breakaway system
LED lighting
Black powder-coated finish

Exact equipment and options can vary by individual configuration; verify final specifications with Trailer Solutions before purchase.

? GREAT FOR CONTRACTORS, FARMERS & EQUIPMENT OPERATORS

This 25' x 102" PJ gooseneck flatbed is an excellent choice for:

Construction

Skid steers, compact excavators, loaders, generators, tools, and construction equipment.

Agriculture

Tractors, implements, attachments, feed equipment, and farm machinery.

Landscaping

Skid steers, mini excavators, mowers, compact equipment, and landscaping materials.

Equipment Hauling

Construction machinery, vehicles, commercial equipment, and other heavy loads.

Ranching

Tractors, implements, fencing equipment, feeders, and ranch equipment.

? WHY CHOOSE A 102" PJ FLATDECK?

If you regularly haul equipment, the 102" width is a major advantage.

Instead of trying to squeeze wider equipment onto a standard 83" trailer, this PJ gives you a full 8'6" deck width.

Combined with the 25' length, 15,680-lb GVWR, tandem 7K axles, 5' dovetail, and Monster Ramps, this is a very versatile equipment-hauling platform.
