? Frequently Asked Questions
What can the PJ LS252 haul?
The PJ LS252 is built to haul tractors, skid steers, compact track loaders, mini excavators, vehicles, hay, construction equipment, building materials, and other heavy loads up to its 10,260 lb payload capacity.
Is this trailer good for farm and ranch use?
Absolutely. Its wide deck, gooseneck design, heavy-duty frame, and Monster Ramps make it an excellent trailer for hauling tractors, hay equipment, implements, and other farm machinery.
What are the advantages of a gooseneck trailer?
Gooseneck trailers provide improved towing stability, tighter turning, increased weight distribution, and greater hauling confidence compared to bumper pull trailers.
Do you offer financing?
Yes! Trailer Solutions LLC offers financing options for qualified buyers with competitive monthly payment plans.
Do you offer trailer delivery?

Yes. We provide trailer delivery throughout Kansas and can arrange delivery to many surrounding states, including Colorado.

Why buy from Trailer Solutions LLC?

Trailer Solutions LLC offers one of the largest selections of PJ Trailers in the region, competitive pricing, financing options, trailer delivery, and a full parts and service department to keep your trailer working for years to come.
