? New 2027 PJ Trailers 30' x 102" Gooseneck Flatdeck Trailer with 5' Dovetail & Monster Ramps | 15,680 LB GVWR
? 30' Flatdeck • 102" Wide • 5' Dovetail • Monster Ramps • 15,680 GVWR • 9,500-LB Payload • Tandem 7K Axles

Looking for a heavy-duty 30' gooseneck flatbed trailer for sale in Kansas? This new 2027 PJ Trailers 30' x 102" Flatdeck Trailer is built for contractors, farmers, ranchers, equipment operators, construction companies, landscapers, and anyone who needs a long, wide, dependable platform for hauling equipment.

This PJ is equipped with a 5' dovetail and flip-over Monster Ramps, making it easier to load skid steers, tractors, mini excavators, vehicles, mowers, and other wheeled equipment.

With a 15,680-lb GVWR, 6,180-lb trailer weight, and 9,500-lb payload capacity, this trailer gives you substantial capacity while maintaining the versatility of a gooseneck flatdeck.

Available now at Trailer Solutions LLC in Garden City, Kansas.

? 5' DOVETAIL WITH MONSTER RAMPS

One of the biggest advantages of this PJ flatdeck is the 5' dovetail with flip-over Monster Ramps.

The Monster Ramps provide an extra-wide loading surface and fold onto the trailer deck when not being used. PJ describes its Monster Ramps as ultra-wide ramps designed to make loading and unloading equipment easier.

Great for loading:
? Tractors
?? Skid steers
?? Mini excavators
? Construction equipment

? Landscaping equipment
? Cars and trucks
? Farm equipment
?? Commercial equipment
Mowers and other wheeled equipment

The combination of the 5' dovetail and Monster Ramps gives this 30' PJ a long, usable deck while making equipment loading much easier.

? FULL 30' x 102" DECK

This trailer provides a 30-foot-long, 102-inch-wide deck, giving you plenty of room for larger equipment and multiple pieces of cargo.

The full 102" width is especially useful when hauling wider equipment that needs more deck space than a standard 83" trailer.

102" Wide Deck Advantages
More usable loading space
Excellent for wide equipment
Easier equipment positioning
Great for tractors and skid steers
Ideal for construction equipment
Excellent for agricultural equipment
Useful for commercial hauling
? 15,680-LB GVWR | 9,500-LB PAYLOAD

This PJ is built for serious equipment hauling.

15,680-lb GVWR
6,180-lb trailer weight
9,500-lb payload capacity

That gives you 9,500 pounds of rated payload capacity for equipment, vehicles, materials, and other cargo.

?? HEAVY-DUTY FRAME & DECK

This PJ features a heavy-duty construction designed for regular equipment hauling.

Frame & Neck
ProBeam™ engineered I-beam neck
12" x 14-lb I-beam frame
3" channel crossmembers on 16" centers
2" x 6" x 1/8" rectangular-tube outer deck frame
102" wide deck
2" treated-pine lumber deck

PJ's current LS flatdeck specifications identify the 102" deck, 12" x 14-lb I-beam frame, 3" channel crossmembers, 2" treated-pine deck, tandem 7K axles, and 15,680-lb GVWR for this family of

flatdecks.

?? AXLES, TIRES & RUNNING GEAR
2 x 7,000-lb electric brake axles
E-Z Lube brake axles
6-leaf slipper spring suspension
4 x 16" black mod wheels
235/80R16 radial tires
3,520-lb tire rating
Electric breakaway kit with charger
DOT reflective tape

The tandem 7K axle configuration provides a combined 14,000-lb axle rating, within the trailer's overall 15,680-lb GVWR.

? GOOSENECK & STORAGE FEATURES
2-5/16" Demco EZ Latch gooseneck coupler
30,000-lb coupler rating
Safety chains
2 x 10,000-lb drop-leg jacks
Lockable front toolbox
Chain holder
Spare tire and mount
Retractable Monster Steps on both sides

The Monster Steps make it easier to access the deck from the sides without having to climb over the trailer frame.

? CARGO SECUREMENT

The trailer is equipped for securing a wide variety of equipment and loads.

Rubrail
Stake pockets
Chain holder
Lockable toolbox
Heavy-duty deck
102" wide loading platform

These features make it useful for contractors, equipment operators, farmers, ranchers, and businesses that need to regularly secure machinery for transport.

? LIGHTING & ELECTRICAL
DOT-approved flush-mount lifetime LED lights
Amber side turn flashers
All-weather 7-way RV wiring harness
Electric breakaway system with charger
DOT reflective tape
?? FINISH & DURABILITY

The trailer is:

Sand blasted
Acid washed
Powder coated

This preparation and powder-coat finish is designed to provide a durable exterior finish for a trailer that is expected to spend considerable time working outdoors.

? GREAT FOR EQUIPMENT HAULING

This 30' x 102" PJ gooseneck flatdeck is an excellent choice for:

Construction

Skid steers, mini excavators, compact equipment, generators, tools, and job-site machinery.

Agriculture

Tractors, implements, attachments, farm equipment, and agricultural machinery.

Landscaping

Skid steers, mowers, mini excavators, and landscaping equipment.

Ranching

Tractors, fencing equipment, feeders, implements, and ranch machinery.

Commercial Equipment

Vehicles, machinery, equipment, and other large loads.
