Description

2000 4-Star 6 Horse Slant Load All-Aluminum Horse Trailer

Calling all horse trainers, rodeo families, and serious haulers!

If you need room to haul a full string of horses without sacrificing tack and storage space, take a look at this 2000 4-Star 6 Horse Slant Load Horse Trailer. This is a well-cared-for, all-aluminum trailer from a name that has earned a strong reputation in the horse trailer world.

With room for six horses, both front and rear tack, and a hay pod for additional storage, this trailer was built for people who actually travel with horses. Whether you're hauling to shows, rodeos, clinics, jackpots, or heading down the road with training horses, there's plenty of room to keep horses and gear organized.

And when you're hooking and unhooking regularly, the electric jack is a feature you'll appreciate every single time.

Features Include:

- 6 Horse Slant Load
- All-Aluminum Construction
- Electric Jack
- Rear Tack Compartment
- Additional Front Tack
- Hay Pod for Extra Storage
- Spacious Horse Compartment
- Well-Cared-For Condition
- Built for Serious Horse Hauling

A six-horse trailer gives you options that are getting harder to find—especially when you add the storage of two tack areas and a hay pod. This would make an excellent trailer for a horse trainer, rodeo family, breeder, college equestrian program, ranch, or anyone regularly hauling multiple horses.

It's a 2000 model, but don't let the year fool you. This 4-Star has been well cared for and is ready for its next owner.
