Description

BIG TRACTOR CAPABILITY IN A COMPACT PACKAGE
The TYM T3035H is built for landowners who need serious capability without stepping up to a large utility tractor. With 35 horsepower, 4WD, a 3-range hydrostatic transmission, and a powerful front-end loader, the T3035H is ready for everything from property maintenance and mowing to dirt work, landscaping, material handling, and farm chores.

The T3035H combines a compact footprint with a 3,307-lb 3-point hitch lift capacity, giving you plenty of capability for implements while maintaining excellent maneuverability around buildings, woods, gates, and smaller properties.
