Description

Click Here To View Video
Expertly made in the USA, the Iron Bull DDP offers a raised deck to accommodate 10 Gauge, 18" fold down sides and a bed width of 96”. Each deckover is equipped standard with 10” I-Beam frame, 3” channel crossmembers, 10 Gauge smooth steel floor, 2 5/16” couplers, a 10k Drop-Leg jack and more. Combine ramps with our standard fold down sides and this trailer can be used for almost any task.
A standard scissor hoist with 520 cylinder lifts this unit to a near 45 degree dump angle - and the retractable tarp system ensures your cargo will stay in your load and off the road. Three-way gate functionality gives you the flexibility to have a spreader gate, barn door gate, or truck style tailgate on your trailer.
Every trailer is backed by our industry best IronClad warranty, providing 3 years structural, 2 years comprehensive components, and 2 years free roadside assistance that extends to the tow vehicle.
