The Aluma 8214H-TILT-S-EL-RTD is a heavy-duty aluminum tilt trailer designed to make loading equipment smooth, fast, and hassle-free. Its hydraulic tilt deck eliminates the need for ramps, while the rugged 5,200-lb torsion axle, electric brakes, aluminum wheels, and durable extruded aluminum floor deliver dependable performance and long-term durability. Built for contractors, landscapers, and equipment owners, this trailer combines strength, convenience, and lightweight towing efficiency in one professional-grade package.
