Description

2027 Good MFG GT19HD-0 Complete Mobile Office******

* Work at Ground Level*

Articulating Suspension retracts the wheels and lowers the chassis to the ground to place the deck at a low 5.2"

*Easy Entry****

A compact 22" folding ramp makes it easy to enter the Trailer

*Galvanized Steel Deck & Chassis****

Rugged and Built to last, ensuring your purchase delivers years of service and high ROI

*Steel Posts****

Delivers extra-rugged durability so your trailer can tackle tough rural roads or places where there's not much infrastructure.

*Secure, Lockable****

The lift panel and main door entrance lock up securely to protect your files, electronics, and more.

360 Degree Interior Lighting

LED Lights give you a pleasant, well-lit workplace.

*Insulated Interior****

Built with patent-pending composite aluminum panels which provide protection against temperature extremes.

*On-Board Restroom****

Travel anywhere knowing you'll work comfortable, and skip the "out-house".

Full equipped with everything you need to do business anywhere, including an interior work station, shelving, outlets, and a bathroom. Use the hydraulic drop deck system to put the trailer flat on the ground for easy access. Haul with confidence to even the most remote of locations thanks to steel post and galvanized steel chassis construction.**
