MSRP: $10,500.00

Description

Tilt Bed Equipment Trailer
The Tilt Bed Equipment Trailer is designed for maximum versatility and efficiency. Available in a full deck model or with a stationary deck option, this trailer allows you to securely carry attachments and other materials alongside your primary load. With a Gross Vehicle Weight Rating (GVWR) of 14,000 lbs, it enables you to easily transport over 10,000 lbs of equipment, making it the ideal choice for contractors, landscapers, and anyone in need of reliable hauling solutions.
The hallmark of the Tilt Bed Equipment Trailer is its user-friendly tilt design. With a simple lever mechanism, the bed tilts to a low angle, allowing for smooth, safe loading and unloading of even the heaviest machinery. This design minimizes the risk of damage to your equipment and significantly reduces the effort required to load and unload.
