Price: $8,799.00

MSRP: $11,699.00

Description

The 2027 Big Tex 14LX Low-Side Channel Tandem Axle Dump Trailer delivers dependable performance. Built with a 6" channel frame and tongue, hydraulic scissor lift with power up/power down and gravity down, and standard-height 10-gauge sides, it handles dirt, gravel, equipment, and bulk materials. Low sides suit dense material -- stone, sand, millings -- where you reach the weight limit long before the trailer is full.

• With tandem 7,000-lb axles
• 6" channel tongue and frame
• Hydraulic scissor lift — power up/power down and gravity down
• Standard-height 10-gauge floor and 10-gauge sides with 3" x 2" rectangular top rail
• Combo rear gate — barn doors and spreader
• Standard slide-in ramps, rear stabilizer jacks, and D-rings
• Tarp kit with lockable battery box and 5A on-board charger

Please give us a call for details and current trailer availability. Descriptions are subject to possible errors, so we recommend calling to verify all information.
