MSRP: $7,499.00

Description

The 2027 PJ CE is PJ Trailers' value-priced 5" channel equipment trailer for farmers, landscapers, and contractors hauling ATVs, small tractors, and light equipment. The 9.9K - GVWR and 83" treated pine deck cover most everyday hauling tasks at an accessible price. It suits the farmer or small contractor hauling a compact tractor or a skid steer who does not need a heavier trailer than that.

• 9.9K - GVWR with tandem 5,200-lb electric/spring axles
• 5" channel frame with 3" channel crossmembers on 16" centers

• 83" wide deck with 2" treated pine lumber flooring
• 5' slide-in channel ramps with holders
• (6) welded-on D-rings and removable treadplate steel fenders
• 2-5/16" Demco EZ-Latch adjustable coupler with 8,000-lb drop-leg jack
• Lifetime LED lighting, electric breakaway system, and all-weather 7-way RV wiring
Please give us a call for details and current trailer availability. Descriptions are subject to possible errors, so we recommend calling to verify all information.
