Price: $13,899.00

MSRP: $18,099.00

Description

The 2027 PJ LS is a low-pro gooseneck flatdeck on 7,000-lb single-wheel axles, the lighter half of PJ’s gooseneck flatdeck family. It suits contractors hauling a mid-size machine, hay or building materials who want gooseneck stability without stepping up to a dually trailer. Slide-in channel ramps store out of the way and a pierced I-beam frame keeps the deck low.
• 21K - GVWR with 7,000-lb electric/spring axles and 6-leaf slipper spring suspension
• 12" x 14-lb pierced I-beam main frame with a 12" x 14-lb I-beam tongue, 3" channel crossmembers on 16" centers

• 102" wide 2" treated pine deck
• Straight deck with 8 FT slide-in channel ramps
• GN 2-5/16" square Demco EZ-Latch coupler (30,000 lb) with toolbox
• Spring-loaded drop-leg jacks (12,000 lb)
• ST235/80R16 10-ply radial tires (3,520 lb)
• 3/8" grade 70 safety chains with clevis hooks (2)
• All-weather 7-way RV wiring harness
• Primer plus black powder coat finish
Pull type: Gooseneck
