Price: \$8,200.00

Description

Traverse Cargo Trailer

Built to exceed expectations, the Traverse Cargo Trailer delivers exceptional durability, weather resistance, and clean aesthetics in a versatile enclosed cargo trailer. Designed for everyday hauling or commercial use, it combines quality materials and advanced construction techniques to keep your cargo secure and your trailer performing season after season.

Key Benefits

Tube Steel Wall Studs and Roof Bows — Built for Long-Term Strength

Tube steel construction provides rigidity and resistance to flex, enhancing the trailer's durability and road performance.

Automotive Undercoat — Added Protection

A protective undercoating guards the trailer frame against corrosion, road debris, and harsh weather, extending the life of your investment.

VHB-Bonded Field with Color Matching Seam Screws — Sleek and Seamless

The smooth, rivet-free sidewalls are bonded with high-strength VHB tape and finished with matching seam screws, creating a clean, polished look that resists leaking.

Engineered Wood Floors and Walls — Reliable from the Ground Up

Tough and dimensionally stable, these wood panels offer a dependable, solid surface that resists warping and holds up to daily wear and tear.

Why Choose a Formula Traverse Cargo Trailer?

Overview

The Traverse Cargo Trailer is a dependable enclosed trailer built for both casual and commercial haulers. It brings together key quality materials and smart construction techniques for reliable, long-lasting hauling. With a clean look and robust structure, this trailer supports a wide range of needs—from tools and gear to inventory and equipment.

Applications

Ideal for contractors, movers, small businesses, and weekend warriors, the Traverse delivers flexibility with purpose. Whether you're loading tools for a job site or transporting equipment for events, its secure interior and smooth tow make every trip efficient and stress-free.

Key Features

This trailer's tube steel framework sets enhances frame rigidity and structural reliability for every load. Automotive-grade prevents rust and debris damage beneath the surface, while VHB bonding and clean seam finishes give it a professional look that lasts. Engineered wood inside the trailer adds dependable support underfoot and alongside your cargo, providing a sturdy and lasting solution for daily hauls.

Owner Experience

The Traverse Cargo Trailer is designed for those who value both performance and presentation. With low maintenance, clean exterior lines, and quality you can feel with every load, it's a trailer that adds polish to your business and reliability to your daily operations. It's more than just enclosed—it's engineered for confidence.
