Price: $7,995.00

Description

Delta 27TB-20 84x20 Partial Tilt Equipment Trailer (14K)

The **Delta 27TB-20 84x20 Partial Tilt Equipment Trailer** is designed for contractors, equipment operators, farmers, and landscapers who want fast, ramp-free loading in a heavy-duty bumper-pull trailer. With an **84-inch-wide, 20-foot deck** and **14,000 lb GVWR**, it is well suited for skid steers, compact tractors, mini excavators, scissor lifts, vehicles, and other equipment.
The **27TB-20** features a **16-foot hydraulic tilt deck with a 4-foot stationary front deck**. This partial-tilt layout provides easy loading while keeping a fixed section at the front for attachments, buckets, or additional cargo. Tandem 7,000 lb Dexter Torflex axles, electric brakes, treated wood decking, and a diamond-plate knife edge make it a practical equipment hauler for regular commercial use.

Key Features:

- **84" x 20' equipment trailer**
- **16' hydraulic tilt deck + 4' stationary deck**
- **14,000 lb GVWR**
- **Approx. 3,300 lb empty weight**
- **Approx. 10,700 lb payload capacity**
- **Tandem 7,000 lb Dexter Torflex axles**
- **Independent torsion suspension**
- **Electric brakes for confident stopping**
- **Hydraulic dampening tilt system**
- **Ramp-free equipment loading**
- **Diamond-plate knife edge for a smooth loading transition**
- **Treated wood deck**
- **Removable treadplate fenders**
- **2-5/16" bumper-pull coupler**
- **LED lighting**
- **16" wheels with ST235/80R16 tires**

The **Delta 27TB-20** is an excellent choice for customers who need the convenience of a tilt trailer while still wanting a stationary front deck for attachments and cargo. Its 14K capacity, torsion axles, and 16+4 deck configuration make it a versatile setup for everyday equipment hauling.
