Description

Bring your low-profile equipment hauling to new heights with the 16OT Heavy Duty Over-the-Axle Tilt Bed Equipment Trailer. It’s unlike any of our other trailers, highlighted by a scissor-style hydraulic hoist that offers stability, energy efficiency, and less maintenance than other systems. With a rear knife edge, a 17,500 lb. GVWR, a full 96” wide tilt platform, and a winch mount plate at the front of the platform, you can take your productivity into overdrive with this over-the-axle workhorse.
