Price: $3,795.00

Description

Load Trail 77" x 12' Single Axle Utility Trailer
Compact, rugged, and equipped for everyday work, this Load Trail 77" x 12' Single Axle Utility Trailer is a great setup for landscapers, homeowners, and property maintenance crews. With a 4" channel frame, treated wood deck, and 3,500 lb Dexter axle, it's well suited for hauling zero-turn mowers, lawn equipment, ATVs, and general cargo.
The trailer rides on a 3,500 lb Dexter spring idler axle with ST205/75R15 radial tires. A 4' fold-in rear gate with expanded metal provides convenient equipment loading, while the spring-assist system makes raising and lowering the gate easier.
This build is especially well equipped for lawn and landscaping work with a front expanded-metal tool cage and weedeater rack for organizing equipment. Four integrated tie-downs provide secure cargo points, while welded square-tube side rails add versatility around the deck.
Features include:
77" x 12' utility trailer
Heavy-duty 4" channel frame
Single 3,500 lb Dexter spring idler axle
ST205/75R15 Load Range C 6-ply tires
Black wheels
2" A-frame cast coupler
5,000 lb swivel jack
Treated wood floor
24" crossmember spacing
Weld-on diamond plate fenders
Welded square-tube side rails
4' fold-in expanded-metal ramp gate
Spring-assist ramp gate
Four integrated tie-downs
Front expanded-metal tool cage
Weedeater rack
Spare tire mount
LED lights with cold-weather harness
Black finish over primer
With its tool cage, weedeater rack, assisted ramp gate, and manageable 12' size, this Load Trail utility trailer is an excellent choice for lawn care crews or anyone looking for a practical everyday equipment hauler.
