Description

PJ Trailers 14' x 83" Low-Pro Gooseneck Dump Trailer
Built for demanding hauling and dumping jobs, this PJ Trailers 14' x 83" Low-Pro Dump combines heavy-duty construction with the stability and towing advantages of a gooseneck setup. It’s a versatile choice for contractors, landscapers, farmers, and property owners hauling gravel, dirt, mulch, firewood, debris, and other bulk materials.
The trailer rides on tandem 7,000 lb Dexter axles with electric brakes and spring suspension, providing a rugged foundation for heavy loads. Its 2-5/16" round gooseneck coupler, rated at 25,000 lbs, provides a strong and secure connection to the tow vehicle.
A split/spreader rear gate adds versatility when unloading. Open the doors for conventional dumping or use the spreader function for more controlled distribution of material.
Features include:
14' x 83" Low-Pro dump trailer
Gooseneck configuration
2-5/16" round 25K gooseneck coupler
Tandem 7,000 lb Dexter axles
Electric brakes
Spring suspension
Split/spreader rear dump gate
Low-profile design for easier loading
Black powder coat finish
Whether you're hauling stone, dirt, mulch, construction debris, or other bulk materials, this PJ Low-Pro Gooseneck Dump provides the heavy-duty axle package and versatile dump-gate setup needed to tackle tough jobs.
