SaltDogg PRO-M MultiPlex Electric Poly Hopper Spreader with Auger

*****Easy to Install:** Compact controller with single small control to the cab. Offers direct power connection from the battery to the spreader.
*****Easy to Use:** Quickly unload excess material with rear-mounted controls and swing away chute. Multiple speed presets and pause button.
*****Reliable:** Patented and proven double wall hopper design. Reduced power loss and corrosion with direct drive and vibrator connections. Modular CAN bus architecture for easy service.
*****Powerful:** 3/4 HP gearmotor paired with a 5.25" auger or 12" heavy duty pintle chain. 200lb vibrator standard. 14" poly spinner disk.

The SaltDogg® PRO-M MultiPlex Electric Poly Hopper Spreader with Auger combines the power and reliability of SaltDogg® PRO Series Spreaders with the advantages of modern CAN bus architecture.
With a compact controller and a single, small control cable running to the cab, installation is quick and hassle-free. The direct power connection from the battery to the spreader ensures seamless operation. Unloading excess material is a breeze thanks to the rear-mounted controls and swing-away chute. Multiple speed presets, a convenient pause button, and an adjustable spread pattern—made possible by the height-adjustable chute and material deflector—let you work with precision and efficiency.
The patented, proven double-wall hopper stands up to the toughest conditions, while the galvanized screen and fitted tarp with integral tie-downs protect your material. Direct drive and vibrator connections reduce power loss and corrosion, and the modular CAN bus architecture simplifies servicing when needed. When it comes to power, this spreader delivers. A robust 3/4 HP gear motor drives a 5.25" auger or a 12" heavy-duty pintle chain, paired with a standard 200 lb. vibrator for consistent performance. The 14-inch poly spinner ensures optimal material distribution, so you can tackle any job with confidence.
Available in 1.5, 2.0, and 2.5 Cubic Yard capacities. The spreader is backed with a two-year warranty.
