Description

The 2027 Big Tex 14GN Single Wheel Tandem Axle Gooseneck Trailer is a versatile flatbed gooseneck built for contractors, farmers, and equipment haulers. With integrated work lights and a lockable mega-sized front storage box, it provides professional-grade hauling. The gooseneck hitch settles the load over the truck's rear axle, which is what makes a long trailer tow steadily.
• With dual 7,000-lb electric axles

• 12" I-beam frame with 102" wide deck
• Lockable mega-sized front storage box with integrated chain holder
• Integrated work lights package
• Rub rail, stake pockets at 24" spacing, and chain spools
• Dual 12K drop-leg jacks with retractable side-steps
• Adjustable gooseneck coupler
Pull type: Gooseneck
