LED Package2026 Lamar Trailers Inc CC 83" x 22'A simple trailer model that provides an excellent towing experience and has withstood the test of time.These medium duty carhaulers are at home behind a half-ton tow vehicle that has a max towing capacity of 10,400lbs.We build these trailers with you in mind. Simple and hassle free to use with a beefy 5" frame and 5" full wrap tongue to give strength where it's needed. Couple that with our standard slipper spring suspension, and you've got a trailer that will last.With an 8,000lb payload, these trailers are great for hauling vehicles and medium duty equipment. If you need a heavier GVWR for your equipment, check out our H6 model equipment hauler!Features may include:Arctic Wire HarnessPremium Components3 Year Structural WarrantyPremium Powder Coat
