LED Package2026 Lamar Trailers Inc CE 83" x 22'A simple trailer model that provides an excellent towing experience and has withstood the test of time.These light duty carhaulers are right at home behind midsized to half-ton tow vehicles that have a payload of at least 7,000lbs.We build these trailers with you in mind. Simple and hassle free to use with a beefy 5" frame and 5" full wrap tongue to give strength where it's needed. Couple that with our standard slipper spring suspension, and you've got a trailer that will last.With a 5,000lb payload, these trailers are perfect for hauling your light duty to medium duty vehicles and equipment. If you're looking for a similar trailer with a bit of a heavier GVWR, check out our CC model carhauler!Features may include:Arctic Wire HarnessPremium ComponentsPressure Treated Pine Floor3 Year Structural WarrantyPremium Powder Coat
