Description

2025 Ferris 300R Zero Turn Mower 5902205Commercially-Inspired, Entry-LevelThe new 300R zero turn mower delivers the professional performance that Ferris is known for. Built to last with a welded steel frame, Hydro-Gear transaxles, and a fabricated steel deck, the 300R is a cut above the mowers you'll find at big-box stores. With ground speeds up to 8 mph, a 3-gallon fuel tank, and comfortable 18" seats, you can mow your lawn quickly and efficiently without sacrificing comfort.Features may include:Compact ManeuverabilityThe combination of a smaller frame and deck size options allows for easy maneuverability in tight spaces or around intricate landscaping.Confident TractionNew 20-inch sport GrassMaster XT drive tires are designed to

enhance traction without damaging the turf.Commercial-Grade PowerPowered by a Briggs & Stratton® PXi Series™ V-twin engine, experience smooth power in the roughest and thickest of turf conditions.Fabricated Mowing DeckDurable, steel-fabricated mowing decks provide reliable cutting performance and include anti-scalp wheels.Ground Speeds up to 8 MPHThe suspension and high-powered components deliver a high-speed mowing experience without sacrificing cut quality.Hydro-Gear® TransaxlesDual transaxles with 7" cooling fans repel debris and provide consistent power. 42" decks: Hydro-Gear® ZT-2800®
