Description

HH Series Flat Top Enclosed Cargo Trailers
The HH Series Round Top Enclosed Cargo Trailer is a dependable choice for everyday hauling. Built with solid construction and essential protective features, it offers a smart balance of durability, function, and value—perfect for work, play, or anything in between.
Key Benefits
Flat Top V-Nose Profile – Streamlined Looks and Performance
The aerodynamic design improves towing efficiency and provides extra interior space for your cargo trailer.Battlecoat® Textured Coating on All Exposed Steel – Rugged Protection That Lasts
This ultra-durable coating shields the enclosed trailer's steel components from harsh weather and road debris.Steel Tube Walls and Roof Bows – Heavy-Duty Frame Strength
Built with welded steel tubing throughout the walls and roof, this cargo trailer provides superior structural integrity and lasting durability.24" Stoneguard – Added Defense Where it Matters Most
The integrated stoneguard protects the front of the enclosed trailer from chips, dings, and other damage during every haul.
Why Choose an H&H HH Series Flat Top Enclosed Cargo Trailers?
Overview
The HH Series Flat Top Enclosed Cargo Trailers are engineered for hardworking performance and high-end looks. Featuring a smooth flat-top design with a 30" V-nose front, these enclosed trailers offering additional interior volume and a modern aesthetic that stands out on the road. Built with premium materials and expert craftsmanship, they are ready for commercial jobs and weekend adventures.Available Models
HH Flat Top Enclosed Cargo Trailers are available in a wide range of sizes and configurations to meet your needs. Whether you’re hauling tools, equipment, motorcycles, or furniture, there’s a model ready to tackle the job with confidence. Multiple length and width options allow you to find the perfect cargo trailer for your hauling demands.Standard Features
Every HH Series Flat Top Enclosed Trailer comes packed with features designed to add value and dependability. Standard highlights include the signature Battlecoat® textured coating on all exposed steel surfaces, heavy-duty steel tube walls and galvanized roof bows for a rock-solid structure, and a 24" polished aluminum stoneguard that offers essential front-end protection. Combined with a sleek flat-top V-nose design, these features deliver unbeatable style and performance.Options
Customize your enclosed trailer to suit your exact needs with available options such as additional wall height, tie-down systems, roof vents, and premium exterior color choices. HH makes it easy to build a cargo trailer that fits your lifestyle or business demands perfectly.
