Engineered for heavy-duty hauling and rugged reliability, the EHB is your go-to solution when performance and durability are non-negotiable. This powerhouse is equipped with two 10,000 lb straight single wheel axles, including electric brakes for enhanced stopping power and control under load. Constructed with a 10" I-beam underframe bridge, the EHB features a 83" or 102" wide straight deck supported by 16" crossmembers made of 3" 3.5 lb C-channel steel, ensuring structural integrity for the most demanding jobs. The deck is finished with treated wood flooring for long-lasting durability in all weather conditions. For convenience and versatility, the trailer includes 4' Rampage Ramps and a full-size front toolbox integrated into the tongue. The bumper pull adjustable 25k 2-5/16" coupler and spring-loaded drop-leg jack (10K) offer straightforward hookup and leveling, even with heavy equipment.
