Description

The Leopard is a contractor grade trailer designed for every day use. It has a under coated frame with bed liner sprayed tongue, door and wheel boxes. It is constructed with 16" on center side wall studs. The poly core siding is glued to provide a smooth surface for decals and easy cleaning and the inside is covered with 3/8 plywood for durability.

The roof is constructed with 16" on center roof bows. The roof is seamless and translucent. The floor also has crossmembers at 12" on center covered by 3/4" Stable Edge water resistant flooring. The 5200# axle is equipped with easy lube hubs and radial tires. Full led lighting. The ramp door has a generously sized opening for easy access.

This trailer features: Landscape Package, Translucent Roof Full Length, Included 60" Triple Tube Tongue With 4 Hole Adjustable Coupler, 12" On Center Floor. Heavy Duty Ramp Door with Flap(2) Non Powered Roof Vents(2) Two-Way Side Wall Vents. Tapered Reverse Ramp Wedge Flush lock, Additional Pull Down Handle On Rear Door (6) 1200# Recessed Floor D-Rings, Kickplate 3/4" (Sidewalls) 12" High, Fuel Dispenser System for Gas 20 Gallon, with Electric Pump/ Hose / Gauge / Fuel Port /On-Off Timer Control / Interior Enclosure & 30x24 Access Door / 12V Battery with Box & Charge Line.
