Description

The 2027 ATC 8.5X24 All-Aluminum Enclosed Car Hauler is a premium all-aluminum trailer with a screwless aluminum exterior and a one-piece aluminum roof. Aluminum keeps the empty weight down, so more of the tow rating goes to the car rather than the trailer.

• Screwless.030 aluminum exterior with a one-piece aluminum roof

• Rear ramp door with a beavertail and (4) recessed floor D-rings
