Price: $14,999.00

MSRP: $19,499.00

Description

The 2027 Diamond C LPT is a Diamond C telescopic dump trailer built for contractors who need dependable dump capacity with a manageable center of gravity. The telescopic cylinder delivers a wide dump angle for clean, fast unloading, while the low-profile frame keeps loading effort to a minimum. Telescopic hoists lift evenly from the front, which is what heavy wet material needs.
• With tandem Lippert axles and electric brakes
• Low-profile I-beam mainframe with 12-gauge steel dump body integral to the floor
• Telescopic hydraulic cylinder — power up, gravity down — for a 45° dump angle

• 3-way dump gate with hold-back system for barn-door or spreader-style unloading
• Diamond plate teardrop fenders, stake pockets, and D-rings
• Heavy-duty mesh tarp system, corded remote, and all-LED lighting
• Demco EZ-Latch adjustable coupler
This unit also includes:
• Spare tire and mount
• Toolbox
• LED light upgrade
• Extra tie-downs / D-rings
• Tarp kit
• Rear slide-in ramps
• Diamond plate fenders
Please give us a call for details and current trailer availability. Descriptions are subject to possible errors, so we recommend calling to verify all information.
