Price: $17,899.00

MSRP: $23,299.00

Description

The 2027 Diamond C HDT is hydraulically dampened tilt equipment trailer, purpose-built for contractors who load and unload constantly throughout the day. The gravity-fed tilt mechanism eliminates ramp wrestling and lets you load low-clearance equipment faster and safer. Hydraulic damping means the deck settles rather than slams, which is easier on both the trailer and the machine.

• With tandem 7,000-lb Lippert axles (upgradeable to 8K or 10K)
• Hydraulically dampened gravity tilt bed — controlled, smooth bed angle, no ramps needed

• 8" Engineered Beam main frame with 3" I-beam crossmembers on 16" centers
• 80"–82" bed width with treated wood decking
• Diamond plate teardrop fenders and HD V-tongue storage box
• 22FT/8" D-rings, stake pockets, and rub rail
• All-LED lighting package with Demco EZ-Latch coupler
Please give us a call for details and current trailer availability. Descriptions are subject to possible errors, so we recommend calling to verify all information.
