Description

Built for contractors, landscapers, ranchers, and property owners who need dependable hauling power, this 2027 Eagle Raptor 7x14 Dump Trailer is ready to tackle the toughest jobs. Finished in black and built on Eagle's heavy-duty Raptor platform, this dump trailer combines rugged construction, powerful hydraulic dumping capabilities, and practical features designed to keep you productive.

Featuring 24" tall sidewalls, a heavy-duty 8" I-Beam frame, tandem 7,000 lb brake axles, and an electric/hydraulic scissor hoist system, this trailer is designed to haul everything from gravel and dirt to demolition debris and equipment. The dual-action spreader gate, heavy-duty ramps, tarp system, and rear stabilizer jacks provide the versatility needed for both commercial and residential applications.
