Description

2027 Buckshot BOLT HD 30' x 102" Gooseneck Deckover Trailer with 12' Hydraulic Dovetail

The 2027 Buckshot BOLT HD Gooseneck Deckover Trailer is a premium heavy-duty equipment trailer engineered for serious hauling applications. Featuring a fully engineered frame, 12' hydraulic dovetail with an automatic self-locking system, tandem 12,000 lb oil bath axles, and dual hydraulic jacks, this trailer delivers exceptional strength, convenience, and versatility. Designed for contractors, farmers, equipment operators, and commercial haulers, the BOLT HD makes loading and transporting heavy machinery easier than ever.

Key Features:

30' x 102" gooseneck deckover trailer

Fully engineered frame and gooseneck construction for maximum strength and durability

12' hydraulic dovetail for convenient equipment loading and unloading

Fully automatic self-locking hydraulic dovetail system

Tandem 12,000 lb electric brake axles with oil bath hubs

24,000 lb combined axle capacity

Heavy-duty adjustable HDSS spring suspension

Pro Sway Control twist bar for improved towing stability

Dual hydraulic jacks with pump, battery, and charger

ST235/80R16 14-ply tires

Matching ST235/80R16 14-ply spare tire

45" x 13" side-mounted toolbox

7.5-watt solar battery charger to help maintain battery charge

Two 5" ultra-bright LED side floodlights for improved visibility

Heavy-duty gooseneck design

With its 12' hydraulic dovetail, automatic locking system, fully engineered construction, and heavy-duty 12K axles, the 2027 Buckshot BOLT HD is built to tackle demanding hauling jobs. Whether you're transporting tractors, skid steers, excavators, trucks, or other heavy equipment, this trailer combines professional-grade strength with the convenience of hydraulic loading and hookup systems.
