Price: \$8,999.00

Description

Built to haul hard and dump easy. This 7x14 dump trailer with 2-foot sides and 14,000 lb capacity is the workhorse contractors, landscapers, and serious DIYers rely on. Plenty of bed length for bulk materials, debris, or equipment, with a solid 14K rating that handles real jobs without

compromise. Key Specs & Features

7x14 bed with 2' solid sides — generous volume for dirt, gravel, mulch, concrete, or scrap

14,000 lb GVWR — dual-axle strength for heavy loads

Hydraulic dump system — one-touch unloading that saves time and labor

Heavy-duty steel construction with durable black finish

LED lighting package and reflective safety markings

Electric brakes, heavy-duty suspension, and highway-ready tires

Rear gate designed for controlled dumping and easy access

Why Buyers Choose It whether you're hauling fill dirt, construction debris, or landscaping material, this trailer gives you the capacity and dump function to get the job done faster. The 2' sides contain the load while the 14K rating delivers the strength you need. Stack it, strap it, or roll it — it's built for daily commercial use. Available now at 321 Trailers — ready for the job site. Ask about rent-to-own options, financing, and local delivery. Get the capacity. Get the dump. Get it done.
