Price: $15,895.00

MSRP: $17,810.00

Description

The new Midsota FBGD Series Deck Over is built perfectly to accommodate the needs of the hauler. With a high strength fabricated I-Beam frame, nothing can get in your way of having a safe & secure haul. Built to be better than the rest.
Engineered for both heavy-duty durability and ease of use, starting with a 2-5/16" Adjustable Demco Coupler that allows for flexible, secure hookups across different vehicle heights. It prioritizes safety and low maintenance with Self-Adjusting Electric Brakes that automatically optimize stopping power, while No Exposed Wiring ensures the electrical system stays protected from road debris and corrosion. Built for heavy loads, the deck features reinforced 16" Crossmember Spacing for superior floor strength, along with Rub Rails and Stake Pockets that run the full length of the trailer for versatile cargo tie-down options. The build quality is further guaranteed by a 5-Year Frame Warranty, giving you long-term peace of mind.
FEATURES
GVWR (lbs) 17600 lbs
GAWR (lbs/axle) 8000 lbs/axle
Curb Weight 5194 lbs
Payload 12406 lbs
