Description

C-Channel Car Hauler
The C-Channel Car Hauler is a versatile and robust trailer designed to meet a wide range of hauling needs, making it perfect for transporting cars, UTVs, and other smaller equipment. Available in multiple lengths, this trailer can be customized to fit your specific application, ensuring that you have the right solution for any hauling task. With GVWR options of 7K and 10K, it is engineered to accommodate a variety of payloads, providing the flexibility you need.
One of the key features of the C-Channel Car Hauler is its impressive design, which includes a sturdy channel frame and a fully wrapped C-channel tongue. This construction not only enhances the trailer's structural integrity but also provides superior support when loaded. This means you can transport your vehicles with confidence, knowing that the trailer is built to handle the demands of heavy loads.
