Description

This 2027 Triple R 6.5' x 14' tandem-axle utility trailer is a versatile setup built for homeowners, landscapers, contractors, and anyone needing a dependable trailer for hauling mowers, ATVs, small equipment, building materials, or general cargo.

The 6.5' x 14' deck provides plenty of usable hauling space while still keeping the trailer compact and easy to maneuver. Its tandem 3,500-lb axle configuration gives it added stability and hauling capability compared with a typical single-axle utility trailer, while the rear gate makes loading and unloading equipment simple.

This is a great all-around utility trailer for someone who wants a manageable everyday size with the added confidence and versatility of a tandem-axle setup.

Available now at VistaTrailers LLC in Oakland, TN, with nationwide delivery available.
