? Built for Professional Use

The Sharp 20' x 101" enclosed gooseneck trailer is a practical option for contractors and businesses that need enclosed storage, weather protection, and a durable trailer for hauling tools, supplies, and equipment.

The 7' interior height provides room for taller cargo, while the wide body and rear ramp door make loading and unloading easier. The gooseneck configuration provides a secure towing setup for compatible trucks.

With a 12,000-lb GVWR and 9,260-lb payload capacity, this trailer offers substantial capacity for commercial and construction applications. Always account for cargo weight, accessories, and applicable axle and towing limits.
