Description

Take on tough jobs with confidence in this 2027 Sure-Trac 7x12 Heavy Duty Low Profile Dump Trailer. Built for contractors, landscapers, property owners, and anyone who demands serious hauling capability, this trailer combines rugged construction with premium features to make loading, hauling, and dumping easier than ever.

With a 12,000 lb GVWR, tandem 6,000 lb brake axles, and a powerful telescopic hydraulic hoist, this dump trailer is designed to handle heavy loads of gravel, dirt, rock, debris, firewood, and equipment. The low-profile design improves loading angles and stability, while the integrated tarp system, lockable toolbox, and underbody storage add convenience on every job.
