Description

Need a serious utility trailer that can handle heavy equipment, UTVs, compact tractors, and demanding jobsite tasks? This 2027 Sure-Trac 7x20 Tube Top Utility Trailer delivers the strength, payload capacity, and durability to get the job done. Built with a heavy-duty frame, tandem 5,200 lb brake axles, and a reinforced ladder-style rear gate, this trailer is designed for customers who need more than a standard utility trailer.

With over 7,100 lbs of payload capacity, a spacious 20-foot deck, and Sure-Trac's proven tube top design, this trailer is ready for commercial and recreational use alike. Whether you're hauling equipment to the jobsite or powersports vehicles for the weekend, this trailer is built to perform.
