Description

2025 K-Trail 7' x 16' Galvanized Triple Axle Gooseneck Dump Trailer with Telescopic Cylinder
The 2025 K-Trail 7' x 16' Galvanized Gooseneck Dump Trailer is a premium heavy-duty dump trailer built for contractors, farmers, landscapers, and commercial operators who demand exceptional strength, durability, and hauling capacity. Featuring triple 7,000 lb electric brake axles, a 23,995 lb GVWR, powerful telescopic hydraulic cylinder, and hydraulic jacks, this trailer is designed to tackle demanding hauling and dumping applications. Its galvanized construction provides outstanding corrosion resistance, making it an excellent choice for long-term commercial use.

Key Features:

16' x 7' gooseneck dump trailer

23,995 lb GVWR

4,995 lb dry weight

19,000 lb calculated payload capacity, subject to trailer ratings and loading limits

Triple 7,000 lb axles with electric brakes

Heavy-duty galvanized construction for superior corrosion resistance

Telescopic hydraulic cylinder for powerful and efficient dumping

Hydraulic jacks for convenient hookup and unhitching

ST235/80R16 14-ply tires

Rear stabilizer legs for additional support during equipment loading

Board brackets for adding side extensions

15" x 72" loading ramp kit

Mesh roller tarp kit for securing loose materials

Spare tire and mount

Heavy-duty gooseneck configuration

With its 23,995 lb GVWR, telescopic hydraulic lift, triple-axle design, and corrosion-resistant galvanized finish, this K-Trail is built for serious work. Whether you're hauling gravel, dirt, demolition debris, firewood, landscaping materials, or compact equipment, this trailer delivers the strength, versatility, and convenience needed to get the job done efficiently.
