Description

2025 K-Trail 6' x 10' Galvanized Dump Trailer with Telescopic Cylinder

The 2025 K-Trail 6' x 10' Galvanized Dump Trailer is a compact yet heavy-duty dump trailer designed for contractors, landscapers, homeowners, and property maintenance professionals. Featuring a powerful telescopic hydraulic cylinder, corrosion-resistant galvanized construction, and a 9,876 lb GVWR, this trailer delivers impressive hauling capability in an easy-to-maneuver package. Equipped with loading ramps, board brackets, and a mesh roller tarp kit, it's ready to tackle a wide variety of hauling and dumping applications.

Key Features:

10' x 6' dump bed

9,876 lb GVWR

2,335 lb dry weight

7,541 lb calculated payload capacity, subject to trailer ratings and loading limits

Heavy-duty galvanized construction for excellent corrosion resistance

Telescopic hydraulic cylinder for efficient dumping

ST225/75R15 tires

15" x 72" rear loading ramp kit for transporting compact equipment

Board brackets for adding side extensions

Mesh roller tarp kit for securing loose materials

Spare tire and mount

Compact dump trailer design for easier maneuverability

With its galvanized finish, telescopic hydraulic lift, and impressive 7,541 lb calculated payload capacity, the 2025 K-Trail 6' x 10' Dump Trailer is an excellent choice for hauling gravel, dirt, mulch, firewood, landscaping materials, and compact equipment. Built for durability and everyday convenience, this trailer offers the strength of a heavy-duty dump trailer in a compact, versatile size.
