Description

2025 K-Trail 78" x 12' Galvanized Equipment Cushion Tiltbed Trailer – 7K GVWR

The 2025 K-Trail 78" x 12' Galvanized Equipment Cushion Tiltbed Trailer is a durable, compact equipment trailer designed for contractors, landscapers, farmers, and equipment operators. Featuring a cushion tilt deck, corrosion-resistant galvanized construction, premium Blackwood decking, and a 7,000 lb electric brake axle, this trailer provides convenient ramp-free loading and dependable hauling performance. Its compact design makes it an excellent choice for transporting compact tractors, zero-turn mowers, ATVs, and other equipment.

Key Features:

12' x 78" equipment tiltbed trailer

7,000 lb GVWR

2,000 lb dry weight

5,000 lb calculated payload capacity, subject to trailer ratings and loading limits

Single 7,000 lb axle with electric brakes

Heavy-duty galvanized construction for excellent corrosion resistance

Cushion tiltbed design for smooth, controlled loading and unloading

Premium Blackwood decking for added durability and traction

ST235/75R15 14-ply tires

Front-mounted aluminum toolbox for convenient storage

Six heavy-duty D-ring tie-downs for securing equipment

Spare tire and mount

Compact equipment trailer design for easy maneuverability

With its galvanized finish, cushioned tilt deck, Blackwood flooring, and 5,000 lb calculated payload capacity, the 2025 K-Trail Equipment Tiltbed Trailer delivers an excellent combination of strength, convenience, and long-lasting durability. Whether you're hauling compact equipment, lawn machinery, or recreational vehicles, this trailer makes loading easier while providing the dependable performance needed for everyday use.
