## Description

The Farmco GB3TON4 is a 3?ton tandem?axle grain storage bin built for durable on?farm transport and storage, offering a heavy?duty steel hopper, stable dual?axle mobility, and reliable protection for grain or bulk feed.

12-gauge steel, reinforced with high-quality welding and electrostatically painted with weather-resistant, two-part polyurethane paints that bond to metal with a force 75 times stronger than gravity

Portable grain feeder with 6,000 lbs. load capacity. Fits approx. 110 bushels of grain.

Rain-proof metal lid allows simple loading, preserves grain and can be operated from the ground.

Front jack and adjustable hitch for quick and easy transport.

Four wheels on tandem walking beams for smooth travels on uneven terrain.

Ladder grants easy access to top of grain bin.
