Description

If you're looking for a premium enclosed trailer that's built to protect your investment and turn heads at the same time, this 2027 ALCOM XPRESS 8.5x26 delivers. Finished in sleek silver and loaded with sought-after upgrades, this trailer combines lightweight all-aluminum construction with premium features designed for racers, car enthusiasts, contractors, and anyone who demands more from their trailer.

The upgraded .080 composite exterior gives the trailer a modern, high-end appearance while providing exceptional durability. Inside, the bright white vinyl-finished walls and premium TPO coin flooring create a clean, professional look that's easy to maintain. A side escape door and spread torsion axle setup make loading and unloading vehicles easier than ever, while the translucent roof floods the interior with natural light. The rear flare canopy with integrated loading lights adds both style and functionality when loading after dark.
