? Frequently Asked Questions
What can the PJ DT1162 dump trailer haul?
The PJ DT1162 is designed to haul gravel, dirt, rock, mulch, demolition debris, landscaping materials, firewood, equipment, skid steers, compact tractors, and other heavy loads up to its 11,120 lb payload capacity.
What is the advantage of a telescopic hydraulic cylinder?
The 5-stage telescopic cylinder provides exceptional lifting power and a smooth dump cycle, making it an excellent choice for heavy materials such as wet soil, gravel, concrete, and demolition debris.
Is this dump trailer suitable for commercial use?
Yes. The PJ DT1162 is built for professional contractors, excavation companies, landscapers, municipalities, farmers, ranchers, and anyone who needs a dependable heavy-duty dump trailer for daily use.
Do you offer financing?
Yes. Trailer Solutions LLC offers financing options for qualified buyers. Contact our team to learn about available financing programs and monthly payment options.
Do you offer trailer delivery?
Yes. We offer trailer delivery throughout Kansas and can also arrange delivery to many surrounding states. Contact us for a delivery quote.
What warranty comes with this PJ trailer?
This trailer includes a 6-Year Lippert Axle Warranty, a 3-Year Structural Warranty, and a 1-Year Paint Warranty, giving you added confidence in your investment.

Why buy from Trailer Solutions LLC?
Trailer Solutions LLC offers a large selection of new trailers, competitive pricing, knowledgeable customer service, financing options, trailer delivery, and a parts and service department to support you long after the sale.
