? Why Choose the 2027 PJ T6202 Tilt Trailer?

The 2027 PJ T6202 is designed to eliminate the hassle of handling separate loading ramps. Its hydraulic tilt deck creates a convenient loading angle for equipment and vehicles, making loading and unloading faster and easier.

The 11-degree tilt pitch provides a practical loading approach, while the Lippert Torflex torsion suspension offers a dependable suspension system for everyday hauling.

Built with a heavy-duty 6-inch channel frame, 3-inch channel crossmembers, treated pine decking, and six welded D-rings, this PJ equipment trailer is ready for demanding construction, agricultural, and commercial applications.

With 10,530 lbs of payload capacity, the T6202 delivers the hauling capability and loading convenience professionals need in a 20-foot tilt trailer.

?? PJ Trailers Warranty

? 10-Year Lippert Torflex Axle Warranty

? 3-Year Structural Warranty

See manufacturer warranty guide for complete coverage details.
