Description

? New 2027 PJ DT1142 14' x 83" Dump Trailer for Sale in Kansas | 15,400 GVWR | 11,420 LB Payload

Looking for a heavy-duty PJ dump trailer for sale in Kansas? The 2027 PJ Trailers DT1142 is built for contractors, roofing crews, landscapers, excavation companies, farmers, and commercial operators who need dependable hauling and powerful dumping performance.

This 14-foot hydraulic dump trailer features a 15,400 lb GVWR, 11,420 lb payload capacity, 5-stage telescopic hydraulic cylinder, and an ultra-low 28-inch deck height. With its heavy-duty steel construction, reinforced Monster Rail top rail, and 45-degree dump angle, the DT1142 is ready for demanding jobs.

The 48-inch high sides make it especially useful for hauling asphalt shingles, roof tear-off debris, construction waste, dirt, gravel, mulch, and demolition materials.

Available now at Trailer Solutions LLC in Garden City, Kansas.

? Why Choose the 2027 PJ DT1142 Dump Trailer?

The 2027 PJ DT1142 is designed for professionals who need a durable dump trailer that can handle demanding daily workloads. Its 5-stage telescopic hydraulic hoist delivers powerful lifting performance, while the 45-degree dump angle helps unload heavy materials efficiently.

The 48-inch high sides provide additional hauling volume for roofing contractors and construction crews handling asphalt shingles, roof tear-offs, demolition debris, and other job-site waste.

Built with an 8-inch I-beam frame, Monster Rail reinforcement, heavy-duty steel floor, and commercial-grade components, this PJ dump trailer is engineered for dependable performance on the job site.

Whether you're hauling gravel, dirt, rock, shingles, mulch, demolition debris, or landscaping materials, the DT1142 offers the payload capacity and durability to get the job done.

?? PJ Trailers Warranty

?? 6-Year Lippert Axle Warranty
?? 3-Year Structural Warranty
?? 1-Year Paint Warranty

? Frequently Asked Questions

What is the payload capacity of the PJ DT1142?

The 2027 PJ DT1142 has a 15,400 lb GVWR and an empty weight of 3,980 lbs, providing a listed payload capacity of 11,420 lbs.

Is the PJ DT1142 a good dump trailer for roofing contractors?

Yes. Its 48-inch high sides, 14-foot bed, and 11,420 lb payload capacity make it a strong option for hauling asphalt shingles, roof tear-off debris, underlayment, and construction waste.

What are the benefits of a 5-stage telescopic hydraulic cylinder?

A telescopic hydraulic cylinder provides powerful lifting performance and helps raise the dump bed to its 45-degree dumping angle, making it useful for unloading heavy materials.

Does this PJ dump trailer have ramps?

Yes. It includes 6'6" slide-in channel loading ramps for loading compatible equipment.

Does Trailer Solutions LLC offer financing?

Yes. Financing options are available for qualified buyers. Contact our team for information about available programs.

Do you deliver dump trailers?

Yes. Trailer Solutions LLC offers delivery throughout Kansas and can arrange delivery to many surrounding areas, including Colorado. Contact us for a delivery quote.

What warranty is included?

This PJ DT1142 includes a 6-year Lippert axle warranty, 3-year structural warranty, and 1-year paint warranty.

Why buy from Trailer Solutions LLC?

Trailer Solutions LLC offers a large inventory of PJ Trailers, competitive pricing, financing options, delivery, and a parts and service department to help support your trailer after the sale.
